ITEM: 4: ISSUE OF EQUITY SHARES FOR CONSIDERATION OTHER THAN CASH THROUGH PREFERENTIAL ISSUE, PURSUANT TO THE PROPOSED ACQUISITION OF RICARDO ELEVATORS PRIVATE LIMITED BY WAY OF A SHARE SWAP:

In terms of Section 102 of the Act, this Explanatory Statement sets out all material facts relating to the aforesaid item of business. As required under Sections 42 and 62 of the Act read with Rule 14(1) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 13(2)(d) of the Companies (Share Capital and Debentures) Rules, 2014, and Chapter V of the SEBI ICDR Regulations, the necessary information and details in respect of the proposed preferential issue of Equity Shares are set out hereinbelow.

The Board of Directors ("Board") of the Company, at its meeting held on Thursday, August 13, 2026, approved the acquisition of 100% (one hundred percent) stake in Ricardo Elevators Private Limited ("Target Company"). This acquisition comprises 50,000 (fifty thousand) equity shares of the Target Company having a face value of INR 10/- each, constituting in aggregate 100% (one hundred percent) of the share capital of the Target Company (on a fully diluted basis), from the existing shareholders of the Target Company, by way of issuance of up to 4,61,000 (four lakh sixty-one thousand) fully paid-up equity shares of face value INR 10/- (Indian Rupees Ten only) each of the Company, at an issue price of INR 281.86/- per Equity Share (including a premium of INR 271.86/-). The issue price has been determined pursuant to Chapter V of the SEBI ICDR Regulations, aggregating to a total consideration of INR 12,99,37,460/- (Indian Rupees Twelve Crore Ninety-Nine Lakh Thirty-Seven Thousand Four Hundred and Sixty only), subject to the approval of the shareholders ("Proposed Transaction").

Consequent to the discharge of the Purchase Consideration, the Target Company will become a wholly owned subsidiary of the Company.

The overview, object and impact of the acquisition, including the rationale and justification for the total Purchase Consideration, are set out below:

a. Overview of the Target Company's business: The Target Company is, inter alia, engaged in the assembly, purchase, sale, import and export of elevators, lift systems, spare parts and related accessories for residential, commercial, industrial and institutional use. Its operations include sourcing elevator systems and components domestically and internationally, customising elevators to customer requirements, and trading complete elevator solutions and replacement parts.

b. Object and impact of the acquisition / key rationale for the Proposed Transaction: The proposed acquisition is intended to strengthen the strategic position of L. T. Elevator Limited by establishing and expanding a Business-to-Consumer (B2C) business model with pan-India distribution capability. Under the proposed business model, customer orders generated through the B2C network are proposed to be fulfilled by L. T. Elevator Limited in accordance with a mutually agreed commercial and operational framework. Upon completion of the acquisition, the Target Company will become a wholly owned subsidiary of the Company.

c. Justification for arriving at the total Purchase Consideration: The total Purchase Consideration for the acquisition of 100% (one hundred percent) stake in the Target Company, and the issue price of the Equity Shares (having a face value of INR 10/- each) of the Company to be allotted on a preferential basis, have been determined based on the provisions of the Companies Act, 2013 and the SEBI ICDR Regulations, and on the basis of the valuation report dated August 13, 2026 issued by CA Manish Gadia, RV No. IBBI/RV/06/2019/11646, having due regard to the Floor Price of INR 281.86/- determined in terms of Regulation 164(1) of the SEBI ICDR Regulations.

The Board has considered and recommended that it would be more strategic to discharge the Purchase Consideration through a swap of securities, rather than through cash or debt facilities, for the Proposed Transaction. The proposed preferential issue and allotment of Equity Shares represent approximately 2.12% of the Company's pre-issue paid-up equity share capital and approximately 2.07% of the Company's post-issue

(fully diluted) paid-up equity share capital. Consequently, the Proposed Transaction will not result in any change in the management or control of the Company.

Information required in respect of the proposed issue of Equity Shares, pursuant to the applicable provisions of the Act read with the rules made thereunder and the SEBI ICDR Regulations, is set out below:

1. Object of the preferential issue:

The Company proposes to issue Equity Shares to the existing shareholders of the Target Company by way of preferential issue and allotment of up to 4,61,000 Equity Shares having a face value of INR 10/- (Indian Rupees Ten only) each of the Company, at an issue price of INR 281.86/- per Equity Share (including a premium of INR 271.86/-), determined in accordance with Chapter V of the SEBI ICDR Regulations, to the existing shareholders of the Target Company, towards discharge of the total Purchase Consideration payable for the acquisition of 100% of the share capital of the Target Company, comprising 50,000 equity shares of the Target Company having a face value of INR 10/- each, constituting in aggregate 100% (one hundred percent) of the share capital of the Target Company (on a fully diluted basis).

2. Particulars of the offer, including date of passing of the Board Resolution, kind of securities offered, maximum number of securities to be issued and the issue price:

The Board of Directors, at its meeting held on Thursday, August 13, 2026, subject to necessary approval(s), approved the preferential issue of up to 4,61,000 fully paid-up Equity Shares of the Company having a face value of INR 10/- (Indian Rupees Ten only) each, at an issue price of INR 281.86/- per Equity Share (including a premium of INR 271.86/-), which is not less than the price determined in accordance with Chapter V of the SEBI ICDR Regulations, to the Proposed Allottees, namely Ms. Muralidharan Akshaya, Ms. Chandrakala Kallepelli, Ms. Prathyusha Peddeham and Ms. Deepika Hemnani, being the existing shareholders of the Target Company, towards discharge of the total Purchase Consideration payable for the acquisition of 100% (one hundred percent) stake in the Target Company. The pricing for the proposed allotment of Equity Shares by way of preferential issue on a private placement basis is in accordance with the SEBI ICDR Regulations and other applicable laws.

3. Basis on which the price has been arrived at:

The Equity Shares of the Company are listed on BSE Limited ("Stock Exchange"). In accordance with the SEBI ICDR Regulations, the Equity Shares of the Company are frequently traded on the Stock Exchange. In terms of Regulation 164(1) of the SEBI ICDR Regulations, the price at which Equity Shares are allotted shall not be less than the higher of: (a) the volume-weighted average price of the Equity Shares quoted on the Stock Exchange during the 90 (ninety) trading days preceding the Relevant Date; or (b) the volume-weighted average price of the Equity Shares quoted on the Stock Exchange during the 10 (ten) trading days preceding the Relevant Date. The Articles of Association of the Company do not provide for any alternative method of determination of the issue price that would result in a higher floor price, and this provision is therefore not applicable.

Further, in terms of Regulation 163(3) of the SEBI ICDR Regulations, specified securities may be issued on a preferential basis for consideration other than cash, provided such consideration comprises only a swap of shares pursuant to a valuation report issued by an independent registered valuer, which shall be submitted to the Stock Exchanges where the Equity Shares of the Company are listed. Further, in terms of Regulation 166A of the SEBI ICDR Regulations, any preferential issue which may result in a change in control, or in the allotment of more than 5% (five percent) of the post-issue fully diluted share capital of the Company to an allottee or to allottees acting in concert, requires a valuation report from an independent registered valuer, which shall be considered for determining the price. Accordingly, the price of the Equity Shares to be allotted to the Proposed Allottees has been determined taking into account the valuation report dated August 13, 2026 issued by CA

Opinion

1. We have audited the accompanying standalone financial statements of **L. T. Elevator Limited** formerly known as **L. T. 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have not determined any matters as Key audit matters to be communicated in our reports

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the standalone financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
12. As required by Section 143(3) of the Act, we report that:

 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone balance sheet, the Standalone Statement of Profit and Loss and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

 - (f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

Annexure “B” Annexure to Independent Auditor’s Report

(Referred to in paragraph 1(f) under report on Other Legal and Regulatory Requirements of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the standalone financial statements of L. T. Elevator Limited formerly known as L. T. Elevator Private Limited (“the Company”), as of and for the year ended 31 March 2026, we have audited the internal financial reporting of the company of as of that date.

Management’s Responsibility for Internal Financial Controls

The management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

Landline: 033 4003-5538, Mobile : 9830170962

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 as amended ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its subsidiary as at March 31, 2026, their consolidated profit and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the company and its subsidiary in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have not determined any matters as key audit matters to be communicated in our report

Information other than the consolidated financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Company's Management and board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company and its subsidiary in accordance with the accounting principles generally accepted in India, including the Indian accounting standards specified under section 133 of the Act as amended read with relevant rules issued thereunder. The respective management and the board of directors of the company and its subsidiary are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its subsidiary and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Management and respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Management and respective Board of Directors of the company and its subsidiary are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company and its subsidiary has adequate internal financial controls in place with reference to the consolidated financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability and its subsidiary to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its subsidiary to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain

responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

- Materiality is the magnitude of miss statements in the consolidated financial statements that, individually or in aggregate, makes its probable that the economics decision of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our works and (ii) to evaluate the effect of any identify miss statement in the consolidated financial statement.

We communicate with those charged with governance of the company and such other entity included in the financial statement of which we are independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to consolidated financial statements and such controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
